- 💧 Healthcare

# Flexible Solutions for your water needs

### ARKQUA®

Fully Containerized  
and modular SWRO  
starting at 200 m3d

### SWRO

Commercial and  
Industrial Seawater  
RO Systems from  
100m3d

### BWRO

Commercial and  
Industrial Brackish  
Water RO Systems  
from 200m3d

### PUMP STATIONS

Commercial and  
Industrial solutions

## VALUE PROPOSITION

- 💧 Experienced team compromised to high quality standards
- 💧 ISO 9000 Certified
- 💧 UL Certified - Electrical Quality assurance and Safety
- 💧 Custom & pre-engineered systems
- 💧 Mobile solutions alternatives ready to operate
- 💧 Containerized and skid industrial solutions
- 💧 Solar/hybrid solutions experience with proven results
- 💧 Remote monitoring and control in every system
- 💧 US based operations and manufacturing

## APPLICATIONS

- 💧 Desalination
- 💧 Arsenic Removal
- 💧 Iron Removal
- 💧 Ultrapure Water
- 💧 Formation Water
- 💧 High TDS Reduction
- 💧 Ion Exchange
- 💧 Deionization
- 💧 Hydrogen Sulfide Removal
- 💧 Dialysis Water

## ABOUT US

**ADVANCED Equipment and Services Inc.** (Advancees) stands at the forefront of the **GLOBAL WATER PURIFICATION** industry, specializing in tailored solutions for Commercial, Industrial, and Municipality sectors.

From seawater desalination plants to brackish reverse osmosis units and beyond, we address a multitude of water treatment challenges including Desalination, Arsenic and Iron Removal, and more.

At Advancees, we prioritize **FLEXIBILITY**, offering **CUSTOMIZABLE** solutions to meet the unique needs of each client. Whether it's **FULLY CONTAINERIZED SYSTEMS** for immediate deployment, skid-mounted options for space **EFFICIENCY**, or environmentally friendly solar-powered alternatives, we deliver **INNOVATIVE** solutions that not only solve problems but also promote sustainability. With Advancees, you can **RELY** in our expertise to provide cutting-edge solutions that elevate your water treatment processes to new heights of efficiency and **EFFECTIVENESS**.
